

**EXPERIMENTAL ADVANCED
RENEWABLE PROGRAM (EARP)
JUNE 6, 2012 PUBLIC MEETING**

**Consumers Energy Customers:
Are you interested in generating renewable energy?
Would you like to sell that energy to your local utility?**

If you are a Consumers Energy electric customer, there is a program available that may allow you to do so. The Experimental Advanced Renewable Program (EARP) is a standard-offer contract program that allows customers to generate and sell the entire output of their solar photovoltaic generator to the Company at a fixed rate.

Consumers Energy and the Michigan Energy Demonstration Center at Northwestern Michigan College will be hosting a Public Meeting on Wednesday, June 6, 2012 to discuss the details of the EARP. This Public Meeting is open to customers, solar installers, and anyone interested in learning more about selling solar photovoltaic (PV) energy to Consumers Energy under a standard-offer contract.

Date: Wednesday, June 6, 2012

Time: 5:30 pm – 8:30 pm
Light refreshments will be provided.

Place: Parsons/Stulen Building, Rm 222
Northwestern Michigan College
Aero Park Drive Campus
2600 Aero Park Drive
Traverse City, MI 49686

Please join us for the following discussions

- Solar Basics
- EARP Overview
- How to Participate

At Northwestern Michigan College

There will be time provided to meet with the EARP Staff and have your questions answered.

Space is limited for this event; **Please RSVP by Friday, June 1, 2012** to reserve your place at the meeting. If you are interested in attending, please submit the following information to the EARP Coordinator at solar@cmsenergy.com :

1. Attendee Name(s)
2. Organization/Affiliation
3. Number of Individuals Attending the Meeting
4. Phone #
5. Email Address
