7/26/2010	EPA	Climate Showcase Communities	This notice announces the availability of funds and solicits proposals from eligible entities to compete for financial assistance through the Climate Showcase Communities Grant Program. This program will assist local and tribal governments in developing plans, conducting demonstrations, and implementing projects that reduce greenhouse gas emissions while achieving additional environmental, economic, public health, and/or community benefits. The overall goal of the Climate Showcase Communities program is to create replicable models of sustainable community action that generate cost-effective and persistent greenhouse gas reductions while improving the environmental, economic, public health, or social conditions in a community.	http://www.epa.gov
7/26/2010	Environmental Protection Agency	Pesticide Environmental Stewardship Program (PESP) Regional Grants	Proposed projects must address implementation of integrated pest management approaches that reduce the risks associated with pesticide use in an agricultural or non-agricultural setting and demonstrate the importance and relevancy of the project to the goals of PESP.	http://www.epa.gov
7/21/2010	National Endowment for the Arts	NEA Creativity and Aging in America	The Arts Endowment is seeking an organization (Cooperator) to launch a technical assistance effort designed to advance arts opportunities for older Americans. As its primary task, the Cooperator will create an online directory and resource database of national, state, and local arts learning programs for older Americans, identifying key services and best practices for artists working with older adults. The project also involves development of an online training course and self-evaluation tool for artists seeking to build skills for working with older adults.	http://www.arts.gov
7/19/2010	U.S. Dept. of Health and Human Services-	Street Outreach Program	The purpose of the SOP is to conduct outreach services designed to build relationships between grantee staff and runaway, homeless, and street youth.	http://www.acf.hhs.gov/g
7/16/2010	U.S. Dept. of Energy	Development of Methodologies for Determining Preferred Landscape Designs for Sustainable Bioenergy	Support for projects that develop understanding of the sustainability issues at the watershed level and to use this information for developing a model or a set of tools to help implement large-scale deployment of energy crops that ensure environmental sustainability, while optimizing system productivity and economic viability for producers, and provide high quality biomass for a variety of conversion processes.	http://www.grants.gov
7/15/2010	American Medical Association Foundation	Healthy Living Grants	<ul style="list-style-type: none"> •Nutrition/Physical Fitness: The proposed project must include a least one nutrition objective and at least one physical activity objective. •Alcohol, Substance Abuse and Smoking Prevention •Violence Prevention: Anti-bullying, domestic violence (with a focus on providing a safe environment for children), suicide prevention, internet safety 	http://www.ama-assn.org

6/25/2010	U. S. Dept. of Education-Office of Innovation and Improvement	Promise Neighborhoods Program	The program is intended to significantly improve the educational and developmental outcomes of all children in our most distressed communities, including rural and tribal communities, and to transform those communities by: 1).supporting efforts to improve child outcomes and ensure that the outcomes are communicated and analyzed on an ongoing basis by leaders and members of the community; 2).identifying and increasing the capacity of eligible entities that are focused on achieving results and building a college-going culture in the neighborhood; 3).building a continuum of academic programs and family and community supports, from the cradle through college to career, with a strong school or schools at the center; 4).integrating programs and breaking down agency "silos" so that solutions are implemented effectively and efficiently across agencies; 5).supporting the efforts of eligible entities, working with local governments, to build the infrastructure of policies, practices, systems, and resources needed to sustain and "scale up" proven, effective solutions across the broader region beyond the initial neighborhood; and 6).learning about the overall impact of Promise Neighborhoods and about the relationship between particular strategies in Promise Neighborhoods and student outcomes, including a rigorous evaluation of the program.	
6/7/2010	Fish America Foundation and NOAA Restoration Center	Marine and Anadromous Fish Habitat Restoration Grants	Restoration of habitat for marine and anadromous fish species. Successful proposals have community-based restoration efforts with outreach the local communities. The partnership requests proposals for local efforts to accomplish meaningful on-the-ground restoration of marine, estuarine and riparian habitats, including salt marshes, seagrass beds, mangrove forests, and freshwater habitats important to anadromous fish species.	http://www.fishamerica.org
3/29/2010	NOCO/ NOAA	Coastal Counties Restoration Initiative	Encourage innovative county projects that restore important marine and coastal habitats and living resources. Develop the capacity of county governments, citizens groups and other organizations to conduct community-based restoration that will enhance local watershed-based resource management and promote stewardship.	http://www.nmfs.gov/habitat/restoration/projects_programs/crp/partners/n
1/15/2010	DTE Energy Foundation	DTE Energy Foundation-Education	The DTE Energy Foundation supports core institutions, educational, environmental, and diversity related initiatives, as well as community development efforts.	http://www.dteenergy.co
